CAMPBELL'S SCOTTISH HIGHLANDS

**PELHAM GOOD
NEIGHBOR FUND**

The Pelham Good Neighbor Fund was established 41 years ago by Pelham residents who wanted to provide food and financial assistance for their less fortunate neighbors. Since the Fund began, over 2,100 residents have received emergency situation assistance with their heating oil, rent, electricity, transportation, and other household expenses. The Good Neighbor Fund also coordinates the Annual Food Drive with the Post Office for the Food Pantry, awards college scholarships, and financially supports a local women's shelter along with the Annual Christmas Drive and the Sponsor-A-Child program. The annual golf tournament is the major fundraising activity for this charitable organization.

Currently, the committee that manages this Fund consists of sixteen active volunteers. Their involvement, along with the commitment and financial support of individuals and area businesses, have helped make the Town of Pelham a better place to live.

Pelham is truly where people help people.
